## *A College Prayer*

**Almighty God**, who inspired your evangelist Mark to write the Gospel, and sent John the Baptist to prepare the way for your Son, our Saviour Jesus Christ, bless all who work and study in this University College Plymouth St Mark & St John, and especially our principal Professor Margaret Noble.

**Grant that we** may be a community of sound learning, new discovery and the pursuit of wisdom where each is valued as made in the image and likeness of God, where discrimination and injustice are challenged and where all are encouraged to discover their full potential.

**Guide us in this** to become the people you intend us to be, so that we may play our part in establishing Your kingdom on Earth, as it is in heaven, through Jesus Christ our Lord, Amen
