- *The Register of Interests is included with the papers for every meeting. Verbal updates are requested at every meeting. On appointment, Governors and Co-optees have a discussion with the Governance Services Manager regarding expectations around declarations of interests. All Board members sign an affirmation to include: 'I undertake to uphold and apply the Articles of Association of the University including my independence from other interests.'*
- *The Governors' Handbook includes the Code of Conduct which contains the commitment to ensure that decisions are not made for personal gain or motivation and to respect the confidentiality of items of business which the Board decides from time to time will remain confidential.*
