HOSPITALITY & CATERING

External Client Bookings at Plymouth Marjon University - 2026/27

Hi!

We are the catering aficionados, the hospitality specialists and the all-round food fanatics.

We understand that event planning is an art form. From the timing of a coffee break, to the sustainability of a lunch menu, the details matter.

We have designed our menus to be as varied as the industry we serve.
Fancy something bespoke to you?
We can do that too. Whatever your requirements, we'll work with you to provide the catering you need for your event.

We'll make sure that your event catering leaves your delegates energised, refreshed and engaged.

How it all works...

Take a look at our packages and options.
Complete the Hospitality order form, including dietary requirements and allergy information.

If you need something a little more bespoke, speak to our team and we will take it from there.

Please email: bridget.rice@compass-group.co.uk to discuss your requirements, and we will do the rest.

The Important Bits...

- All our prices are Per Person or Per Serving, unless stated otherwise, and include VAT
- Not every option works for every event. We will let you know if something isn't quite the right fit, and suggest an alternative.
- We need your final menu choices, dietary requirements, allergy information and guest numbers a **minimum of 5 working days** before your event.
- We know that plans can change at late notice so we will do our best to accommodate last-mintue requests.
- We will work quickly after you've confirmed your order, so - **if you cancel within 5 working days of your event*, you will be charged the full amount as a cancellation fee.**
- If your event falls outside of normal operational hours (weekdays 8am - 5pm), a labour charge may be applied at £20 per hour, for each team member brought in to set up, prepare and cater the event.

*Drinks can be cancelled up to two working days before without charge. All information correct as of 1st September 2026..

A bit about us…

Our Commitments

We are Chartwells, part of Compass group. We live and breathe great food and brilliant service.

We have a fantastic partnership with the team at Plymouth Marjon University. We are on campus, working side by side every day. But, outside of our day-to-day business, we know that we have a responsibility to our planet, our people and our society. We are committed to reducing our impact on the environment.

From small changes like moving from sugar sachets to sugar cubes, to international commitments like our promise to be Carbon Net Zero by 2030.

Our local team delivers the service and makes the changes, whilst our national teams work behind the scenes to ensure that we are making the right choices from our supply chains to our recruitment processes. You can find out more on our sustainability and social value work, or just ask our team for more information.

We can't wait to work with you!
